Card Management

With our app you have the ability for total debit card control.

>> Choose to limit debit card transactions by location, merchant type, transaction type, spend limit, or turn your card on/off completely.

>> View all of your debit card transactions, recurring payments, & online accounts your card is attached to.

>> Activate your card, report your card lost/stolen, request a replacement card, & request to set/change your PIN.

>> Set travel plans so your card can follow you wherever you go with no suspected fraud alerts due to transactions out of your local area.

>> Easily add your card to your smartphone's digital wallet with the push of a button.

Other Features

>> Check the balances of your accounts at a glance with Instant Balance.

>> Turn on app Notifications to receive the most up to date information about our bank & your accounts directly to your smartphone.
