

Online Banking

Explore your Westmoreland Federal Savings accounts by viewing your account balances & transaction history anytime, anywhere. You will also have the option of using our many services from the comfort of your home, rather than visiting the bank. With Online Banking you have the ability to:

- >> Stop writing checks with **Bill Pay**, the safer & more secure option than mailing your payments.
- >> Stop receiving paper statements. Start viewing, downloading, & printing up to 18 months of previous statements online with **eStatements**.
- >> Perform recurring or one time **Internal & External Transfers**. This is the easiest & most convenient way to pay your Westmoreland Federal Savings mortgage. (Transfers from a Passbook Savings & Transfers into an IRA are not permitted.)
- >> Send, request, receive money or split a bill with friends & family using **Zelle**.

Enrollment

Signing up for Online Banking is simple. Click the  icon on the upper right side of the home screen at www.wfsavings.com. Click **Enroll** then enter the required information to complete enrollment. You will need your account number(s), email address, & social security number to complete enrollment. Keep in mind when enrolling in Online Banking:

- >> Username must be at least 6 characters in length.
- >> Password requirements are as follows:
 - Must be at least 9 characters in length but not more than 17 characters.
 - Should be a combination of characters that includes UPPERCASE letters, lowercase letters, numbers, and symbols (examples: !, @, #, ?, etc.)
 - Passwords must be changed annually.
