

To all of our valued customers:

While we have made it through the worst of the Covid-19 pandemic, the Coronavirus still persists and continues to evolve.

We are still taking extra precautions to maintain a safe, clean banking environment by increasing our cleaning procedures for all high touch surfaces and sanitizing daily.

As per CDC guidelines, we no longer require face coverings while banking with us. Maintaining social distancing is still requested while in the bank.

We are encouraging our customers to take advantage of our services that are available 24 hours a day:

- Debit Cards – If you don't currently have one and would like one linked to your checking account please call us at **724-539-9755** (your card should arrive in 7 to 10 business days);
- ATMs – no fee at our ATM, any Freedom Alliance participating ATM, or MoneyPass ATM;
- Online banking—If you are not currently registered for online banking or mobile banking, you can enroll by visiting www.wfsavings.com;
- Use Zelle® to send/receive money to/from family and friends in seconds;
- Use mobile deposit through our mobile app to deposit a check into your account;
- Night deposit drop ---securely drop off deposits and payments in the Envelope Depository in front of the building.
- Telephone banking – call **1-844-539-9755** to access account information and transfer funds;

Our lobby is open for normal everyday banking transactions. To serve you more efficiently we ask that you call and schedule an appointment for new accounts, account revisions and certain CD renewals.

Thank you!
